Intramural Indoor Cricket Rules

Any rule not specifically covered will be governed in accordance with the International Cricket Council regulations. Modifications have been made to suit Ohio State Recreational Sports programs.

Rule 1: Eligibility

A participant may be an Ohio State student taking a minimum of four credit hours. The Department of Recreational Sports defines a student as any individual who is currently enrolled at The Ohio State University and is registered with the university registrar. Students taking four or more credit hours automatically pay the Recreational Sports student fee and therefore do not need to purchase a membership.

The following people are eligible to participate after purchasing the appropriate Recreational Sports membership through the RPAC Welcome Center for the semester in which they intend to participate.

A participant may be:

• an Ohio State student taking less than four credit hours
• the spouse of a student or a faculty or staff member
• a faculty or staff member of The Ohio State University. The Department of Recreational Sports defines faculty and staff as all current faculty and staff, as well as visiting professors at The Ohio State University who are paid through the university payroll department.
• an affiliate of the department (alumni, member of the President’s Club, other recognized affiliate groups)
• a member-sponsored adult

To participate in any intramural activity, all participants must show a valid Ohio State issued photograph identification card. Acceptable identification cards are limited to BuckIDs, Ohio State Medical Center identification cards, and Recreational Sports membership cards. An Ohio State identification card must include the following information and be clearly visible to be considered valid: the individual’s name, photograph, and identification number. Identification cards that do not have one or more of these requirements will not be accepted and the individual will not be allowed to play.

Misuse of an identification card (borrowing, lending, counterfeiting, altering, etc) is a violation of The Ohio State University Student Code of Conduct. The identification card will be confiscated and the individual attempting to use the card will be ineligible to participate. If the card belongs to another student, that student must meet with a professional staff member to regain possession of their identification card.

Professional Athlete Rule

Any individual who has been paid to participate in cricket, under contract with a professional team, included on a professional team roster, practiced with a professional team, and/or compensated for trying out for a team is NOT eligible to participate in intramural indoor cricket.
**Intercollegiate Athlete Rule**

Intercollegiate cricket athletes are not eligible to participate in Intramural indoor cricket game, activity, or event until a period of one year has passed following completion of all activities with the team. After the period has passed, former intercollegiate cricket athletes must participate at the highest level of competition offered in intramural indoor cricket. Intercollegiate cricket athletes are defined as individuals who are practicing with or competing with a team recognized as a varsity sport. Included in this rule are red-shirt athletes and practicing proposition 48 athletes.

**Sport Club Rule**

No more than two members of the club cricket team may participate in intramural indoor cricket per team. Sport club members must participate at the highest level of competition offered. A sport club member is defined as an individual who has practiced or played in a contest for a registered sport club during the academic year.

**Rule 2: Levels of Play**

**Open**

Play once per week. This league combines both the competitive and recreational teams and is offered for both males and females without a male or female requirement. This division is offered typically when there are not enough teams to divide the teams into a competitive and recreational division. You may only play on ONE Open team.

- The tennis balls will be provided and may not be altered by tape or any other material during the game.
- Players need to wear non-marking footwear at all times.
Rule 4: Team Captain Responsibilities

- Ensure their team members follow all eligibility requirements. Team captains are also advised to seek clarification on special eligibility requirements, if necessary.

- Ensure that all teammates sign a Release of Claims form located on the back of the scorecard before participating in their first game.

  - All players must check in using a valid Ohio State issued ID.
- You may substitute one fielder for another at any point during the game.

Rule 6: Forfeits/Defaults

Forfeit Policy:

- All late teams shall start the game with a “B” sportsmanship rating.
- Teams ready for play may choose to decline any and all points.
- Not Ready for Play at Game Time: Team ready for play will have the option to bat first or last.
- Five Minutes Late: Team not ready for play at scheduled start time will start down two wickets.

- If neither team is ready to play at game time but are ready before 10 minutes have elapsed, the game shall start as normal. However, the game clock will start at the originally scheduled game time.

There are three situations that will result in a forfeit:

- Not Enough Players – Team does not have the required number of players to participate by 10 minutes after the scheduled game time.
- Eligibility – One or more of the players participating is ineligible and therefore may not participate. Ineligibility may be due to the player being a roster violator, being previously ejected, ruled ineligible for sportsmanship-related issues, etc.
- Sportsmanship – Game is ended by staff for sportsmanship-related issues.

Any team knowing in advance that they will be unable to play a regularly scheduled contest is provided the opportunity to default the contest. This will result in the team receiving a loss and “A” sportsmanship rating for the contest. To receive a default, the captain must call the Rec Sports Competitive Sports Office by 4 p.m. on the day of the contest with their request. For teams playing on Sunday, the deadline is Friday at
4 p.m. The opposing team will then be contacted to let them know they do not need to arrive for their scheduled contest.

A team is allowed one default per sport per season. Any request after the first default will be counted as a forfeit.

If a team has been granted a default and the contest is then canceled due to weather or scheduling issues, the default will be removed and the contest will be played normally if it is rescheduled.

**Rule 7: Protests**

*Rules Protest*
Questions pertaining to interpretation of rules on the part of game officials must be addressed by the intramural supervisor at the time the interpretation occurs and prior to the next live ball. The procedure shall be:

4. If the participant still does not agree with the decision at the game site, a Protest Form should be obtained from the intramural supervisor on site and completed. The contest will continue from this point “under protest.”

Protests involving player eligibility must be called to the immediate attention of the intramural supervisor prior to the completion of the contest while the protested individual is present. - There are no Co-Rec modifications.

Rule 11: Playoffs

In addition to a positive playoff point total, teams must also maintain a “3.0” or “B” sportsmanship average during the regular season to be eligible for the playoffs. Team’s averages will be formulated in the same way a student’s GPA is calculated. Each sportsmanship letter grade is assigned a numerical value:

- “A” – Four (4) points
- “B” – Three (3) points
- “C” – Two (2) points
- “D” – One (1) point
