Setting Up Your Fusion Account Tutorial

Non-Ohio State Affiliates: General Community

Once you have successfully created your account, you should see this (picture below).

1) Go to https://recregister.osu.edu
2) Once at recregister.osu.edu, look at the top right hand corner.
3) You will choose the Sign Up option.

If you have previously registered for Learn to Swim or Camp Recky in our system, please be sure to use that username and password.

4. Once you have clicked the “Sign Up” option, you should see prompts below:
   a. first and Last Name
   b. Date of Birth Gender and Phone Number
   c. Address and Email

- Use an email that you will be able to access so you can activate your account.
- The date of birth needs to be your date of birth, not your child’s.
- Once you have filled out the required information, check the box agreeing to terms of use and then hit "create account"
- You will need to make sure your password meets the password requirements or you will not be able to create your account.

5. Once you have successfully created your account, you should see this (picture below).
