

OUTDOOR FACILITIES FACT SHEET

The Department of Recreational Sports maintains 15 different outdoor facilities which include basketball courts, cricket pitches, jogging paths, sand volleyball courts, roller hockey rinks, tennis courts, playgrounds, picnic shelters, and restrooms. In addition, there are approximately 60 acres of grass fields/softball and baseball diamond, and there is one synthetic rubber infill turf field available for year round use.

Viewed by students as neighborhood/community recreation facilities due to their location on campus.

Outdoor facilities are open year-round, weather permitting (exception: grass fields are closed from Thanksgiving to the beginning of spring quarter).

Staffed by approximately 20-30 students and professionals each year to manage the facilities.

Please check recsports.osu.edu for open hours and employment opportunities.

Ag Campus

Coffey Road Park (lighted)

- Four softball diamonds
- Five flag football/ultimate disc fields
- Coffey Road Sports Center (support building)

Central Campus

Cannon Drive Basketball Courts (lighted) - Two (2) courts
