SESSION INFORMATION CONTINUED

- Cancelling or rescheduling your personal training sessions must occur 12 hours prior to the start of the session by contacting your trainer. If a trainer must cancel or reschedule he/she must do so within 12 hours prior to the start of the session.

- If a trainer does not show for the mutually scheduled session then the session will be made up and the client will receive an additional free session.

- Organize an appropriate meeting location with your trainer prior to your first session. Most clients prefer to meet their trainer at the RPAC Welcome Center or the Fitness Desk. If the training session is scheduled at a Rec Sports satellite facility (JON, JOS, ARC, North Rec) please arrange a meeting place accordingly.

- It is highly recommended that a sensible nutrition plan is utilized in order to achieve the full results possible. Trainers are not allowed to recommend or give advice on nutrition or performance enhancing supplements. If you have questions regarding these topics you should visit the Student Wellness Center housed in the RPAC or call 614-292-4527. Free nutrition counseling is provided to full time students.

- If at any time you are not satisfied with your trainer, please contact the Personal Training Coordinator at ptraining@osu.edu.

- Clients are not permitted to bring other individuals with them to the sessions unless they are participating in a group session.

- Please remember to come properly dressed for your training session. Athletic shoes and loose clothing is recommended. Bring a water bottle with you as well.

- We are continually educating our staff and encouraging hands-on experience so there is a chance that the Personal Trainer may have a staff member shadowing them. If this is a problem please inform your trainer.
